2011 BRUINS FUNDAMENTALS CROSS-ICE HOCKEY

A PROGRAM FOR PLAYERS 8-AND-UNDER

For participants who have passed a Bruins FUNDamentals Beginner Hockey Class

FMC Ice Sports has teamed up with the Boston Bruins and USA Hockey to present Bruins FUNDamentals Cross-Ice Hockey. Specifically geared towards the 8-and-under age group, Bruins FUNDamentals Cross-Ice Hockey is designed to integrate cross-ice practices and games into youth hockey. The benefits of smaller playing areas will help develop the level of creativity among young participants, increase participation and establish a positive environment for kids to learn to play hockey.

The Smaller the Ice, the Bigger the Competition. When the ice is sectioned, the more advanced players become better because they're working in tighter spaces and are forced to make quicker decisions. Instead of capitalizing on a breakaway, they're practicing their stickhandling and decision making.

And the players who need a little more help will improve their skills with more puck handling opportunities. They interact with better players up close and learn from them as well as receive more individualized instruction from coaches. Since the ice is smaller, coaches have more time and ability to work with players who need their help the most.

This season our Bruins FUNDamentals Cross Ice Hockey program will be available at 11:50am for two separate 15-week sessions at the Porrazzo Rink, East Boston (Constitution Beach, East Boston, MA 02128)

Total Cost: \$199.00 for 15 weeks!

Registration form on back

Fall Session: 9/17 - 12/31, 2011

Winter Session: 1/7 - 4/7, 2012
