## Rapid Fire 3-on-3 Concept

Rapid Fire 3-on-3 Hockey is the ultimate fast-paced game with up and down action that will help players stay in peak condition and hone both offensive and defensive skills during the off-season. Games are played on the full ice rink which provides breakaways and rushes that will challenge their abilities and improve the full ice vision of participants. With 9 skaters and one goalie per team, players get maximum ice time in a wide-open format that helps develop skating skills and stamina while providing plenty of puck handling time to develop offensive and defensive skills.
